School Council Activities: School Council is very involved with supporting and enhancing the learning at our school. We work closely with the staff and students to provide engaging activities:

- We continue to provide a hot lunch program for our students.
 - Presentation and ongoing discussion about the needle debris in our community and how to improve incidents at our school.
 - Had a workshop provided by the Alberta School Council. The Work of School Council: It's NOT about the Meeting!
 - Brainstormed ways to increase attendance at monthly meetings
 - Assistance with the School wide Carnival
 - Discussion and questions about the new curriculum, the Alberta Education Results Report and the Continuous Improvement Plan
 - Money given to purchase indoor recess activities
 - Assistance to provide a school wide healthy initiative day that was well received
 - Booster juice coupons given to staff to thank them for all their hard work
 - We provided a Hot Dog lunch on Sports Day for all the staff and volunteers
- As you can see, there is positive collaboration between the staff, administration and parents/care-givers.
